

Penguin Young Readers Chants

Dick Whittington

British English

Level 1

Chant 1

Do you like listening to stories Dick?
What are your favourite stories?
Yes, I like listening to stories of London
They are my favourite stories

How are you going to London. Dick?
Are you walking to London?
No, I'm going with a man and his horse
That's how I'm going to London

And how are the children in London, Dick?
How are the children in London?
The children in London have got sad faces
The children have got sad faces

Chant 2

Oh, no the king said
It's the mice again
Oh, no the king said
Now they're in our dinner

Dick's cat runs and jumps
He's catching mice
Oh, good the king says
The cat's catching mice

Miaaow, the cat says
I like mice
One, two, three, four, five
This is my big dinner

Chant 3

Dick says to Alice 'you're beautiful'
Alice says to Dick 'you're handsome'
Dick says to Alice 'Let's get married'
'Oh, we're happy' they say

Now Dick is old. He's a good man
He's got a school in London
He tells stories to the children of London
They've got happy faces
