

Penguin Young Readers Chants

The Golden Goose

American English

Level 2

Chant 1

Please give me your food
I'm hungry
John said 'no'
He cut his arm

Please give me your food
I'm hungry
Simpleton smiled
'You can have my bread'

'You're a good boy'
The old man said
Simpleton found
The golden goose

Chant 2

Kate touched the goose
'Oh, no, I'm stuck

Bess touched Kate
'I'm stuck to you!'

Meg touched Bess
'Now, I'm stuck too!

'What can we do?
Oh what can we do?

Chant 3

The king and his daughter
Outside their castle
She is young
And beautiful

When she saw the line
Of men and women
The princess started
To laugh

'Simpleton! Simpleton!

Marry my daughter
You're not silly
You make her laugh'
