White stones

White stones

Dropping white stones on the path

White stones

White stones

Shining brightly in the moonlight

White stones

White stones

Follow them home, follow them home

Chant 2

We are hungry

Hungry children

We can see

A little house

It is made of

Cookies and cake

Chocolate, coconut

Sugar and fruit

We are hungry

Hungry children

We can EAT

A little house

Chant 3

Is the fire ready?

Is it nice and hot?

Out of my way!

I want to see!

It must be nice and hot

Push her in Gretel!

Push her in as hard as you can

Push her in Gretel!

Aaargh! Bang!

No more witch!
