

Penguin Young Readers Chants

Happy Granny and the Wood Circle

British English

Level 3

Chant 1 (Happy Granny)

My granny
Doesn't like the word granny
My granny
Likes to be called Diana

My granny's
Going to be sixty soon
My granny
Wears jeans and t shirts

My granny
Plays music VERY LOUDLY
My granny
Plays my kind of music!

Chant 2 (Happy Granny)

Oh no, my map's in hundreds of pieces
All over the floor
Oh no, my guitar's in the rubbish bin

The worst day of my life got worse
And Mr Marks said
'I'm sorry Tim'

Chant 3 (Happy Granny)

I saw Black Dog
On the best night of my life
Peter and I met them
It was the best night of my life

Granny's friend John
Gave me a new guitar
Black Dog wrote their names
On my new guitar

I saw Black Dog
On the best night of my life
Maybe granny's all right after all!
I might even call her Diana

Chant 4 (The Wood Circle)

'Hi Mira What're you doing?
Bird watching ...that's an arctic tern'
'Bird watching, that's boring
No, it isn't I'll show you'

'Here it is on the Internet
Thirty-six thousand kilometres a year'
'Wow, that's a really long way'
Now Penny is bird watching too!

Chant 5 (The Wood Circle)

That's not a bird
It's a man
Why's he digging
In the sand?

Maybe he's a thief
He's stolen something
He's going to bury it
In the sand

Who can we tell, our parents?
No, they'll be cross because we came down this path
Who can we tell, the police?
They'd laugh at us, you're right!

Chant 6 (The Wood Circle)

A secret wood circle
A secret wood circle
A wood circle of our own

There's only us and Simon
Who know about the circle
Simon's trying to hide the circle
And we've put it on the Internet

A secret wood circle
A secret wood circle
A wood circle of our own
