### ***Snow White and Rose Red***

#### **American English**

#### **Level 2**

##### Chant 1

There's a bear at the door Snow White  
There's a bear at the door Rose Red  
What does he want?  
Is he very hungry?  
He's a cold bear, he's a sad bear

There's a bear in the kitchen now  
There's a bear sitting down in the kitchen now  
We'll give him cookies  
Fruit cake and hot milk  
He's smiling now, he's a very happy bear

##### Chant 2

We helped the dwarf  
We cut his beard  
He wasn't happy  
My beard! How could you cut it!

We helped the dwarf  
We scared the bird  
He was fine  
But he didn't say thank you

We saw the dwarf  
With his beautiful treasure  
This is my treasure  
Go away! Go away!

##### Chant 3

Where is the bear?  
Who are you?  
I'm a prince  
How do you do?

Oh, Rose Red said  
Oh Snow White said  
Marry me, the prince said  
Marry me, his brother said

Princes and princesses

Go to the garden  
Mother's growing roses  
Snow White and Rose Red
