Snow White and the Seven Dwarves

British English

Level 3

Chant 1

Poor Snow White
The queen, her mother, is dead
Poor Snow White
She has no brothers or sisters or friends

Poor Snow White
The king has married again
Poor Snow White
The new queen's not a kind queen

Poor Snow White

Chant 2

Mirror, mirror on the wall
Am I the most beautiful one of all?
You are beautiful, you are tall
You are the most beautiful one of all

Mirror, mirror on the wall
Am I the most beautiful one of all?
Oh no, poor queen, far in the forest
Snow White is the most beautiful of all

Mirror, mirror on the wall
Am I the most beautiful one of all?
Oh no, poor queen, happy in her castle
Snow White is the most beautiful of all

Chant 3

Snow White opens her eyes
Seven little faces
Snow White opens her eyes
Who are you?

We are seven dwarves
We live in this house
We are seven dwarves
Who are you?

I'm Snow White
How do you do?
