#### **British English**

#### **Level 3**

##### Chant 1

Running in the marathon  
Not too fast  
Not too slow  
Running in the marathon

Warming up  
Before the race  
Hundreds of people  
Watching the race

Running in the marathon  
Not too fast  
Not too slow  
Running in the marathon

##### Chant 2

Surfing on the snow  
Doing a grab  
Doing a half pipe  
Bend your knees!

Front wheel off the road  
Jump off the pedals  
Back wheel off the road  
Do the bunny hop

##### Chant 3

Arnold took up sailing  
But the sea made him sick  
Arnold took up riding  
But he fell off his horse

Arnold took up hang-gliding  
He was too scared  
Arnold took up ski-ing  
And ski-ed into a tree!

Arnold took up fishing  
And caught a very small fish  
Arnold lay on his sofa again  
He was very happy
