Chant 1

What are the guards doing?
They're stealing some umbropa
Leo and Mel try to run
But the guards can 'think-fly'

We can't get out of here
Maybe we can, maybe we can
We can learn to 'think-fly'
"Think deep And you can fly"

Stein and Riker go to the room
Leo and Mel can 'think-fly'
What's happened, what's happened?
"We grounded the guards, sir"

Chant 2

Chant 3

I'm an astronaut
I can work under water
I can move about
In microgravity

I'm an astronaut
I train in an aircraft
I float around
In microgravity

I'm an astronaut
I learn about spacecraft
All the control systems
Inside a simulator

I'm an astronaut
I'm ready for my big day
I'm an astronaut
On my first day in space
